## MESSAGE FROM THE DEPARTMENT

Welcome to our institution, where we combine academic excellence with holistic development to prepare students for success in dynamic world. We believe education is not only about gaining knowledge but also about building confidence, values, and skills that will guide you throughout life. Our programs in MBS, BBM, BBS, BA-BSW are tailored to meet the academic, professional, and personal growth of every student.

MBS program in Texas develops advanced managerial and leadership skills, preparing graduates for higher-level decision-making roles in business and industry. The BBM program focuses on entrepreneurship, innovation, and modern business practices, equipping students with the mindset to lead and create opportunities. The BBS program provides a solid foundation in business, economics, and accounting, making it ideal for those aiming to pursue professional careers in finance, management, and commerce. Meanwhile, the BA-BSW program encourages critical thinking, creativity, and cultural understanding, helping students explore the social sciences, humanities, and communication with depth and perspective.

Experienced and dedicated faculties guide students through rigorous coursework, practical learning experiences, and research-based projects, ensuring you are well-prepared to excel academically and professionally.

At the same time, we emphasize social and emotional development, offering opportunities beyond the classroom. From clubs and sports to leadership programs and community service, we encourage active participation that strengthens interpersonal skills, builds confidence, and nurtures a sense of responsibility.

By choosing MBS, BBM, BBS and BA-BSW in Texas, you are stepping into a supportive environment where education meets inspiration, and your academic journey is enrich with opportunities for growth, leadership, and lifelong learning.

## TEXAS COLLEGE COLLABORATION WITH TRIBHUVAN UNIVERSITY (TU)

---

Tribhuvan University (TU), established in 1959, is Nepal's oldest and most prestigious university, widely recognized for its academic excellence and global credibility. It offers a broad range of undergraduate and postgraduate programs that are nationally accredited and internationally respected.

Texas International College is proudly affiliated with TU, conducting programs such as BBS, BBM, BA, and MBS. Through this affiliation, students earn TU-recognized degrees while gaining access to the college's supportive environment, modern teaching methods, and career-focused learning opportunities.

This partnership ensures that graduates of Texas International College not only receive the academic credibility of TU but also benefit from a dynamic college experience that emphasizes innovation, practical exposure, and holistic student development.

## TEXAS INTERNATIONAL COLLEGE (TIC)

---

Texas International College (TIC) is a dynamic educational institution dedicated to excellence in higher education. The college runs outstanding academic programs such as BBS, BBM, BA, and MBS, all affiliated with Tribhuvan University (TU) and approved by the Ministry of Education, Nepal. TIC was founded by a team of academicians and entrepreneurs to meet the growing demand for qualified and skilled professionals in the fields of management, business, and social sciences.
